

## LABELING SOLUTIONS

# Iconex™ Tamper Seal

Sealed and secured orders make it easy for customers to see if their order has been tampered with after it was prepared

Iconex Tamper Seal provides additional quality control for pick-up and delivery orders.

Iconex Tamper Seal is a comprehensive label solution designed to enhance the order pick-up and delivery experience with clear order identification, itemization and freshness information. In addition to the many benefits of traditional Iconex labels, sealed orders offer added quality control post-preparation by leaving visual evidence that the label has been removed or repositioned.

### Iconex Tamper Seal Benefits

- Pen writeable preprinted or print on demand
- Seals, secures and alerts of order tampering
- Visible packaging deformation with removal
- Customizable to your brand and packaging
- Samples available of 2" circle or 1.875" x 6" bag seal
- Direct thermal versions available

*"Restaurants need delivery in today's environment in order to gain and maintain share. It has become a consumer expectation."*
