

LABELING SOLUTIONS

Iconex Sticky Media™ Zero

Drive sustainability, boost operations, and skip the landfill

By eliminating the liner from traditional shipping labels, Iconex Sticky Media Zero reinvents shipping operations and creates an eco-friendly solution that optimizes material use, drives efficient operations, and reduces environmental impact — one roll at a time.

Benefits:

- Zero landfill
- 20% more labels on every roll
- Optimizes and streamlines operations
- Reduces overall carbon footprint

Premium print quality and durability

- Optimized for data clarity and barcode resolution.

High performance permanent adhesion

- Staying power from dock to door.

Liner-free with print-to-size flexibility

- Streamlines labels used and reduces waste.

Seamlessly print and apply

- Innovative adhesive and dry edges enhance clean cut, feed, and jam-free dispense.

Iconex Sticky Media Zero | 4" x 400' | 1" ID, 5" OD | 8 Rolls/Ctn

LABELING SOLUTIONS

Iconex Sticky Media™ Distribution

Drive efficiency and eliminate waste in pick, sort, and replenishment tote operations

Iconex Sticky Media Full-Tack is a linerless label solution that combines the benefits of durable premium print quality, long lasting adhesion, and easy scan barcodes with residue free removable adhesive that makes re-use a snap.

Pick and Sorting Operations

Tote license plates are critical to seamlessly pick, scan, and fill open orders. Eliminate downtime related to traditional labels which require frequent media changeovers and liner waste disposal.

- 40% more media on every roll
- No liner waste to dispose of

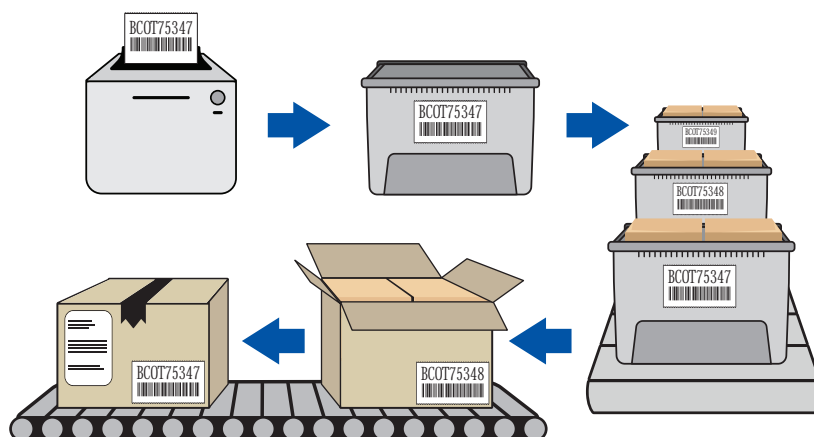

Warehouse Routing Operations

Accurate scanning, routing, and tote re-use is key to maintaining warehouse performance. Don't get bogged down with poor barcode quality, missing/lost labels, or adhesive residue. Ensure totes scan at each and every checkpoint with a premium quality label that lasts the lifecycle of the route.

- No failed checkpoints
- No missing/lost labels
- No adhesive residue cleanup

Product Benefits

- Variable direct thermal print technology
- Premium adhesion to plastic and metal
- Residue free, long term removability
- Durable and mar resistant
- Deliver 100% barcode scan accuracy
- Sustainable - eliminates liner waste
