Iconex® Tamper Seal

Assure customers that their order has not been tampered with
Iconex Tamper Seal provides additional quality control for pick-up and delivery orders.

Iconex Tamper Seal labels enhance the order pick-up and delivery experience and make it easy for customers to see if their order has been tampered with after it was prepared. Featuring built-in security slits that leave visual evidence that the label has been removed or repositioned, sealed and secured orders offer added quality control post-preparation. The permanent adhesive adheres to a wide variety of food packaging, including kraft paper products, styrofoam, plastic and cardboard containers.
