# Iconex® Cleaning Supplies

## Simple cleaning procedures can reduce customer transaction failures and keep your business operating smoothly

Iconex cleaning products are designed to remove dirt, dust, oils and other stubborn contaminants from printing equipment to ensure optimum performance and uptime.

Designed to remove the most stubborn containments, even in areas other cleaning products can't reach, Iconex cleaning solutions are non-abrasive, lint free, and recommended by most major equipment manufacturers. Iconex recommends establishing regular cleaning routines on a monthly or bi-monthly basis to ensure operations run smoothly. Implementing a preventative maintenance program for all label printers will increase efficiency and lifespan of your devices.

- Easy to use
- Only five minutes to clean devices after initial cleaning
- Improve printer uptime with routine cleaning
- Remove containments for optimal print performance
- Decrease service calls and device repairs
