

LABELING SOLUTIONS

Iconex® RFID Distribution and Logistics

Increase operational efficiency across distribution and logistics

With real-time data visibility, Iconex RFID labels enable greater productivity, improved accuracy, and reduced operational costs across warehouse and logistics workflows.

Gain real-time data visibility

Ensure accurate, real-time inventory control with complete traceability.

Reduce lost inventory

Access up-to-date data to quickly locate products and minimize shrinkage.

Save time and labor

Automate cycle counts and inventory checks for faster, more efficient operations.

Ensure shipment accuracy

Verify items during loading to prevent costly shipping errors.

Streamline receiving

Scan inbound RFID shipments upon arrival for faster, more accurate receiving.

Iconex is the world's leading provider of innovative label solutions that create value for our customers by improving operational efficiency. Our highly differentiated label solutions target specific markets and solve business process problems by utilizing our extensive R&D resources, patent portfolio, and best-in-class manufacturing. Building upon our unique tradition of innovation, we anticipate trends, develop timely solutions, and help solve business challenges. This information is subject to change without notice.
