# Iconex® Shipping Forms

## Simplify, streamline and speed distribution order processing

Iconex multi-part forms combine shipping labels with invoices and packlists.

Iconex dual web and integrated forms marry multiple forms into one, to support single step print, pack, and ship operations. By organizing all information into one form, you can save time, reduce waste and eliminate process downtime and delays. Most commonly used for pack and ship operations to easily connect order contents with shipping information, Iconex shipping forms also help expedite inventory order picking and support medical patient management.
