

LABELING SOLUTIONS

# Iconex® Food Freshness

## Keep inventory, ingredients and prepared food fresh

Iconex freshness solutions drive consistency and quality for overall food safety compliance.

Iconex offers a full line of moisture resistant direct thermal labels to efficiently and accurately identify food freshness in the kitchen. Iconex labels adhere to a wide variety of packaging materials, including plastics, films, paperboards, corrugates, and kraft papers. Utilizing print-on-demand technology, Iconex labels easily integrate critical food freshness information with the click of a button.

### Product Benefits

#### Simplifies the food freshness management process

- Drop-in friendly with industry standard food freshness solutions

#### Improves quality control

- Clearly designate critical-to-quality information; time, date, and expiration

#### Boosts employee productivity

- Eliminates guess work with print-on-demand preprogrammed content
