

LABELING SOLUTIONS

Iconex Connect RFID Linerless Labels

Revolutionizing Operational Efficiency and Visibility

Iconex® Connect RFID linerless labels represent a breakthrough in intelligent labeling, combining the proven efficiency and sustainability of linerless technology with the real-time visibility and automation power of RFID. This global patent-pending innovation eliminates liner waste while transforming every label into a digital asset, enabling faster, smarter, and more connected operations.

Game-Changing Innovation

A first-of-its-kind combination of linerless label technology and RFID that helps businesses reduce downtime and advance sustainability

Reduce Waste

Eliminating the need for liners reduces disposal costs and environmental impact

Real-Time Visibility

Enable automated tracking, inventory accuracy, and end-to-end traceability

Increase Throughput

Fewer roll changes keep operations moving while reducing downtime caused by adhesive buildup and printer jams

Built for Scale

Designed for distribution, logistics, grocery, food, retail, and e-commerce environments

RFID LINERLESS LABELS

Customizable to your operations.

Advanced adhesive technologies, including gap and pattern designs, help minimize adhesive buildup and printer jams.

Improves environmental impact.

Flexible Formats

Standard **4" width** with customizable label lengths to fit application requirements.

Various RFID Inlays

Initial options include **Avery Dennison AD Burst M830** and **Tageos EOS-480**, with additional configurations available upon request.

Printer Compatible

Compatible with **RFID-enabled printers**.

Industry Leadership

Global leader in innovative labeling solutions and linerless technology

Breakthrough Innovation

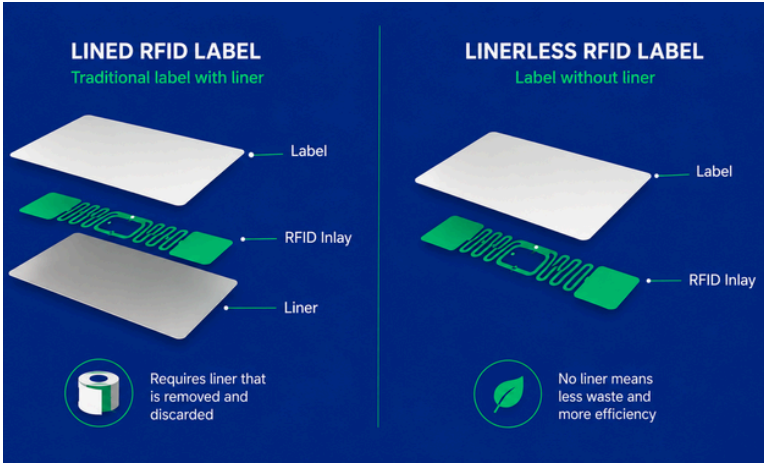

The world's most advanced linerless portfolio delivers differentiated solutions that solve customer challenges

Structured Development

Disciplined design, testing, validation, and commercialization process

Technology Expertise

Bringing together advanced label construction, adhesives, RFID, and printer and technology partners

Iconex is the world's leading provider of innovative label solutions that create value for our customers by improving operational efficiency. Our highly differentiated label solutions target specific markets and solve business process problems by utilizing our extensive R&D resources, patent portfolio, and best-in-class manufacturing. Building upon our unique tradition of innovation, we anticipate trends, develop timely solutions, and help solve business challenges. This information is subject to change without notice.
